

**ROCK COUNTY HIGH SCHOOL FOUNDATION  
FALL REPORT  
2015**

Send us your email address to receive the Fall Newsletter in the future. Help us save the environment and money at the same time. The cost of printing and mailing the newsletter has grown and we are looking for ways to reduce the cost.

The purpose of the RCHS Foundation is to help ease the financial burden of college for our graduates. By emailing the newsletter instead of mailing we could save money, and use this money to help our graduates!

**2014 Newsletter Costs:**

Postage	\$880.00
Labels	\$94.00
Printing	\$1331.00

If you are willing to receive the Fall Newsletter by email, please email Janice Devall at [updaterchs@yahoo.com](mailto:updaterchs@yahoo.com)

**THE SHANKLAND FUND**

This fund was started with the proceeds of T-shirt sales and donated to RCHS Foundation as a token of support for Jeanie Maurer Shankland '82 and her family. Janice Maurer Devall '76 spearheaded the T-Shirt project in support of her sister Jeanie.

## Alumni Scholarships

We need your help! Each year the foundation strives to award two RCHS Alumni scholarships. Our ability to do so depends entirely on your generosity!

The Alumni Scholarship is funded by the honor year classes. Therefore, the foundation is appealing to all RCHS graduates who graduated in a year that ends in "6" to donate to the 2016 RCHS Alumni Scholarship fund. If you graduated in "36", "46", "56", "66", "76", "86", "96", "06" or would like to honor someone in a "6" class, your donation would be greatly appreciated!

## Alumni Committee

The Rock County Alumni committee is planning for next year's banquet on June 18, 2016. The Alumni Association will be sending out information and ticket forms soon and would like to include any special events planned by each honored year. Please contact the Alumni committee at PO Box 351, Bassett, NE 68714 or the Rock County Leader office at 402-684-3771 with the details about your reunion plans.

Updating alumni records is an ongoing project and your help is appreciated. Anyone with updates or corrections to contact information please contact the Alumni Committee or get in touch with Janice Devall.

Janice is currently in charge of keeping the alumni database updated. Mail will reach her at 308 E. Bertha St. Bassett, NE 68714. You can also email [updaterchs@yahoo.com](mailto:updaterchs@yahoo.com) or call 402-684-2247. Please put "address update" or similar wording in the subject line of an email so it won't be identified as spam.

### **Rock County High School Foundation Purpose**

The Rock County High School Foundation, Inc. is a non-profit, tax-exempt organization, which was incorporated in December of 1986 for the purpose of establishing a vehicle for contributions that would provide new and improved educational opportunities for the benefit of students, teachers, and residents of District 100, Rock County.

Proposed projects for the foundation include, but are not limited to: funding for academic or enrichment scholarships, special projects such as student exchanges, projects which are designed to improve instruction or curriculum and recognition of special accomplishments of staff or students.

Contributions can be made to the foundation as outright contributions -- contributions to the general fund, existing funds, or newly designated funds; recognition gifts -- cash gifts to honor a special occasion or person; deferred gifts -- bequests, trusts or life insurance; or memorial gifts -- money donated to honor a deceased friend or relative.

At the present time, a \$100.00 contribution can be designated for a specific one-year purpose. A \$2,500.00 contribution will perpetuate a \$100.00 scholarship. Contributions of less than \$100.00 can be made to the general fund or applied to any existing fund and contributions of any amount can be designated for any Rock County student through an Adopt-a-Student certificate.

#### **Academic Scholarships**

Over seventy academic scholarships totaling over \$30,000.00 were offered through the selection process to the graduating class of 2015.

#### **Enrichment Grants**

Six grants totaling \$900.00 are available to be used by individuals or groups for activities which are culturally or educationally enriching for students. The Paul H. and Jennie Engler FFA Enrichment Scholarship provides funds to FFA members for extracurricular enrichment activities.

#### **Adopt-a-Student Certificates**

The Adopt-a-Student fund provides an opportunity for every Rock County student to have a scholarship account and allows donors to contribute to scholarship funds for students of their choice. Programs are currently in place to provide scholarship certificates for drawings at the annual Post Prom event, and recognize honor roll students, scholastic letter winners and FFA state farmer recipients.
